

Ron Añejo Carúpano LEGENDARIO

De un solo lote de 25 Años de añejamiento

This is a genuine and sublime Ultra Aged Collector's Rum 40° G.L. (80° U.S. Proof, 30° Under Proof), unmatched in Venezuela and the world; exclusive from a batch of American white oak barrels from a single lot with 25 years of sealed aging without replacement of annual angel's share and with any kind of mixtures. Annual limited and numbered edition of 500 cut crystal decanters in Suede bag and elegant case.

Tasting Notes: Intense amber color very clean and glossy. Complex in the nose; reminiscent of rich mineral notes, licorice, candied fruits and pleasant citrus hints of orange peel, walnuts and hazelnuts. Sweet to the palate, creamy, delicate and silky; deliciously tasty with soft velvety texture and instantly gratifying. A long, persistent finish; its taste reconciles with its origin, none other than the beauty, strength and complexity of the primeval flavors of molasses.
